New Electronic Verification System (EVS) User Manual Chapter 10: Report Download

A new Electronic Verification System (EVS) User Manual Chapter has been posted to assist providers and their delegates with downloading and printing provider letters and documents. The new [EVS User Manual Chapter 10: Report Download](#) provides instructions for gaining access to the Report Download function, searching for the reports and downloading the desired documents.

The four Report Categories are:

- Prior Authorization Letters
- Prior Authorization Attachments
- Provider Enrollment Letters
- Claim Appeal Letters

The new EVS User Manual Chapter 10 is available on the [EVS User Manual](#) webpage.
